Yearly Lesson Schedule: The Studio provides an exact schedule for the school year (called the Yearly Lesson Schedule) included with this agreement and on the studio website. Tuition includes informal parties, and an invitation for students to perform for two adult guests at an end-of-year recital.

Studio Policies: Listed on the back of this Admissions Agreement. Please read both sides of this form.

Weekly Practice Schedule: A Weekly Practice Schedule is provided with this form to assist in recommended practice times. Parents of younger students (high school and younger) are responsible to make it clear to the student of the practicing commitment involved in taking piano lessons.

Materials: Music and other materials and supplies, such as books, flash cards, digital sheet music, awards, etc. will be distributed throughout the year and you will be receiving a bill for them periodically. The average yearly cost is around \$50.00. An Annual Organization Kit will be given at the beginning of the academic year (or at a student's first lesson) for \$15.00. The Kit will include: an organizational binder, (Practice Plans, music, music handouts and charts, newsletters, etc.), various online services like Google Drive and iCloud, the *Soundboard* newsletter subscription, various printing costs, and practice MP3s and CDs for music to listen to and practice with at home. *This \$15 kit is part of the \$50 estimate of materials for the year.* This amount will be billed on the second payment for the year (September). In addition to this average cost, each student will automatically receive The Winter Recordings and The Summer Recordings online for \$15 each set (\$30 for the year), invoiced with payment 1 and 3, which includes the online hosting. The Winter Recordings will be available in early winter, and the Summer Recordings available over the summer.

Please list your available time-ranges and days available on our Questionnaire or the Annual Information Update forms. The studio will get back to you via email and have you approve your lesson day, start time, and teacher after we receive all necessary forms for sign up. Once a family has approved a time-slot via email, we usually cannot change it at a later time, and will not be able to refund.

Makeup Policy

- Two Makeups Total. A maximum of 2 makeup lessons can be given for the year if notified on time — 8:00am the day of the lesson. Notification after 8:00am will not be made up, regardless of the reason.**
- No-Shows.** Lessons missed with late (after 8:00am) or no notification to the studio that are scheduled on the Yearly Lesson Schedule or a rescheduled lesson will not be made up.
- Canceling a Lesson & Rescheduling.** Please leave a voice mail in the **Studio's voice mail box** at the studio, or email to your **teacher's studio email address**, not your teacher's personal email or phone, to count for notifying the studio. We do not accept texts for canceling a lesson. Only a parent or guardian may notify the studio to cancel a lesson, schedule a makeup, or reschedule a time. The studio reserves the right to have lessons be taught virtually or by different teachers due to scheduling. Makeup lessons will be mostly given during scheduled makeup weeks as listed on the Yearly Lesson Schedule.
- Sick the Day of the Lesson.** If a student is home from school/work sick the day of the lesson, a student may not attend that day's lesson, and must notify the studio as per the Makeup Policy (8:00am). If notified after 8:00am, the lesson will not be made up. If a student is well enough, they **may do the studio's virtual lessons** (see form). Students also may not attend a lesson coming home early sick from school or work, and can not make these lessons up due to late notification (see Studio Health Policies). Students who come to a lesson visibly sick, say they are not feeling well, or were home sick but going to school the next day, will be asked to wait in the studio's waiting area to keep everyone healthy, and the lesson will not be made up.
- Inclement Weather.** For safety concerns, the studio may cancel lessons or switch to virtual lessons due to inclement weather. They may be rescheduled or switched if possible, if time permits, at the discretion of the studio. These makeups will count as part of the two makeups for the year.
- Spring, Winter, and Other Breaks.** Please be aware that the studio's Spring, Winter, and other breaks might be different from your school or work schedule. A no-show due to a different break week will not be made up. If the studio is notified, it will count towards the two makeups of the year.
- Makeup Attempts.** Only 2 makeup attempts will be made for each legitimate reason. A makeup attempt includes leaving a message on voice mail or by email.
- No Makeups in May.** Due to end-of-year time restrictions, lessons missed in May can not be made up.
- Teacher Rescheduling.** If a teacher cannot teach a lesson due to illness or personal obligations, the lesson will be rescheduled at a mutually convenient time. These lessons will not count as part of the two makeups for the year.
- Religious Observances.** If a lesson falls on a religious holiday (i.e. Rosh Hashanah, Yom Kippur, Good Friday, etc.) as listed on the Yearly Lesson Schedule, and a student can not make the lesson due to these religious observances, these lessons will be made up, and not count towards the two makeups for the year.

Health Policies

- All Students Must Wash Hands & Use Purell.** Students must wash their hands at the studio before their lesson begins. It is clear that many sicknesses can be avoided by the simple act of washing one's hands. We have provided plenty of soap and towels for students to use. Once in the studio, we also provide hand sanitizer used to kill 99.9% of most common germs - as many healthcare facilities, foodservice, educational and office areas now employ.
- Sick the Day of the Lesson. If a student is home from school/work sick the day of the lesson, a student may not attend that day's lesson,** and must notify studio as per the studio Makeup Policy. **If the student is well enough, they may do the studio's virtual lessons (see form).** You might think a student is getting better by the afternoon or evening, but it is not worth it for student, parent or teacher to force a student weakened from illness to attend a lesson. Also, **students may not attend a lesson coming home early sick from school or work, and can not make these lessons up due to late notification.** Students who come to a lesson visibly sick, say they are not feeling well, or were home sick but going to school the next day, will be asked to wait in the studio's waiting area to keep everyone healthy, and the lesson will not be made up. (see Studio Makeup Policies).
- Students and families must agree to and follow the most recent health protocols provided by the studio, including but not limited to Covid-19 protocols, and have signed a studio Covid-19 waiver.

Studio Safety

- Emergencies.** Please notify me of any emergency situation as soon as possible, so I can notify appropriate people (e.g. parents, police, fire, ambulance, etc.)
- Student Drop-off/Pick-up.** We recommend arriving at the studio 5 minutes ahead of your scheduled lesson time to take off shoes/coats, wash hands, gather books, etc. We encourage parents to come in to touch base with their teacher every week for grade-school students, and every once in a while for junior high and high school students. If you are not coming in to talk to your teacher a particular week, please make sure you actually see your child enter the studio, and not just drive away. For pickup, students are required to wait inside if their rides are not there. They can go outside to look, but then come back inside to wait. We also have a video camera in the entrance area to aid in student pickups.
- Please Walk.** Students/siblings/friends should never run while on the studio premises.
- All Year: Use Steps & Handrails, Not the Driveway.** Students(etc.) should walk down outside steps, not the driveway, when being dropped off or picked up. Students(etc.) should always use the handrails going up or down steps inside or outside.
- Other Safety Precautions.** Smoke alarms are installed in every room. A fire extinguisher is located in the mudroom, easily accessible by both studios. First aid kits are located in the downstairs bathroom cabinet, and the Studio B closet (including band-aids).
- ***Remove Shoes, Bring Slippers. (AKA Mi Casa, Su Casa)** Students AND PARENTS (including high school and adult students) are to **remove shoes** in the mudroom to walk through the studio. This has **tremendously** helped keep the studio cleaner and safer for all involved. We recommend older students (or anyone using the pedals of the piano) to **bring an extra pair of slippers, extra socks, or even a pair of clean tennis sneakers (not worn into the studio)** especially for use of the pedals on the piano. Also, please leave all umbrellas in the mudroom. Thank you for your cooperation.
- While on the studio premises or at any studio event, students, parents, caretakers, friends, etc. come to the studio at their own risk, and no person(s) who work at the studio, others who are at the studio, or the studio itself, shall be liable for any loss, damage, illness, or injury or death whatsoever, and waive any legal right to trial and/or any compensation will hold the studio and it's associated people harmless.
- This agreement gives the studio the right to publish/distribute a student's name, photos, video, original written and recorded music and various information related to the studio in various forms of media including but not limited to newspapers, the internet, ads, CD, digital media, printed media, YouTube, Facebook, Instagram, Flickr, and recordings. You may opt out of these, just let us know in writing. Resale of any recordings/video/print media (etc) from the studio is explicitly prohibited.
- The studio reserves the right to dismiss a student due to behavior issues or lack of practicing. No refund will be given.

Referrals and Discounts

The "Tell A Friend" Discount. When you tell a friend about the studio and have a student sign up for the academic year, there is a **\$30.00 credit** to the following bill to the person who referred the new student **and** to the new student being referred. The new student must make the second payment before credit can be applied.

The "On-Time Discount." A total of **\$45.00 per year per student** can be deducted whenever a payment is received on time with the date on the bill. There are three payments for the year, and a \$15 discount will be reflected on your bill with each payment if paid on time. For example, the bottom of your bill will say "Amount Due If Paid On Time:" and the amount will be \$15 less than the original amount owed. The **deadlines for the On-Time Discount are: May 1, September 1, and February 1. Bringing the payment to the lesson following these 3 deadlines (May 1, September 1, and February 1) is not considered part of the "On-Time Discount" and no deduction will be taken.** If you have any questions about this policy, please feel free to call the studio.

Multiple Student Discount. Families that have more than one student taking lessons at the studio will have an additional discount of \$20.00 per tuition payment for 2 or more students (**total of \$60.00 per year per additional student**). For example, 2 students in one family will get \$20 off each invoice, families with 3 students taking lessons will get \$40 off each invoice, etc. This discount will be reflected on each bill.

Senior Citizen Discounts Seniors 60 and older can benefit from this discount policy. We will deduct \$30 from each of the three payments of the year (**\$90 total for the year**). This will be reflected on each bill.
