Student Music Studio Survey

*This survey is for you to help us
continue to improve the studio.
Please tell us as much detail as possible.*

NAME: (Optional) _____

1) What did you like most about lessons this year?

2) What did you like least about lessons this year?

3) What style of music do you like to play the most (e.g. classics, jazz, popular, rock, new age, Broadway, holiday, etc) ?

4) What was your favorite piece you played this year?

5) What piece/song would you like to play next year?

6) What did you like most and least about the piano parties, coffee houses and recitals?

7) What quote was most inspirational for you this year featured on the practice plan labels and mudroom?

7) What did you like most and least about the articles provided (handed out in your binders during the year, and in the mudroom) and the *Piano Explorer Magazine*?

8) What did you like most and least about the Studio Web Page, our Facebook Page, and the YouTube page?

9) Circle all the parts of music technology you like, but put a STAR by your favorite. Tell why.

- A) having my own CDs
- B) having my recordings on the internet
- C) seeing my recital performance on YouTube
- D) writing my own music
- E) the Clavinova digital piano
- F) showing others my recordings online

10) What could be done to improve lessons next year?

<u>Strongly agree = 10, Strongly disagree = 1</u>	<u>1 - 10</u>
I had fun playing piano this year.	
I improved a lot this year.	
My teacher is fun to take lessons from.	
I liked the pieces I played this year.	
I read the articles and handouts in my binder and the mudroom during the year.	
I to listen to my CDs from previous years.	
I listen to my pieces on the internet on the studio website.	
I was able to choose from about 3 pieces each time I picked a new piece.	
I read the Piano Explorer Magazine each month.	
Goofy is a dog.	
I feel I can talk about things with my teacher.	
I was inspired by the quotes on my Practice Plan labels and signs in the studio.	
I usually practiced my 5 half-hours (or five 45-minutes) a week.	
There were enough detailed instructions on the Practice Plans for me.	
I want to continue piano lessons.
